Baton Rouge LA 70809-2152

Dear Robert,

*What an amazing blessing!
Thank you, Vicki.*

Please accept our sincere thanks for your generous donation of time and professional auctioneering talents for our second annual Spring Gala, Cocktails at the Crescent. Thanks to you, our live auction was a huge success and such fun! Our Gala was very successful overall, thanks to generosity like yours, and the donations realized from the auction go directly toward funding Heritage Ranch programs to assist children and families in crisis.

Your generosity enables us to maximize donations to our ministry and ensures that we serve as many children and families as possible. With your help, we hope to make next year's event, as well as our July 8 bowl-a-thon, even more successful.

Enclosed is a collage of photos from the Gala, as a memento of the evening and a token of our appreciation. We are deeply grateful for your generous donation of time and talent. We look forward to working with you in the future as we continue our ministry to help children and families...because every child should inherit hope.

Sincerely,

Vicki

Heritage Ranch is a faith based non-profit providing Life Skills training and mentoring to community youth through school based and summer camp programs. Our long term mission is to establish a Children's Home, to provide year round housing, education and counseling to youth, ages 8-18, throughout the region.
